Geagte Ouers / Dear Parents

Aan die einde van verlede kwartaal het u 'n nie-amptelike vorderingsverslag ontvang. Dit was nie 'n amptelike rapport nie aangesien ons nie gewigwaardes aan assesseringstake kon koppel nie. Die Departement het intussen die probleem met die sisteem opgelos. Punte is gevolglik nou volgens gewigte ingelees en sal u op 21 Mei 'n amptelike rapport ontvang. Let wel, daar mag wel 'n verskil in punte wees met die vorderingsverslag as gevolg van die gewigswaardes. U sal saam met die rapport ook 'n nota ontvang indien van die personeel u wil sien aangaande die vordering van u kind. Indien u so 'n nota ontvang, maak asseblief 'n afspraak met die betrokke onderwyser vanaf 24 Mei. Graad 7 leerders en ouers moet die rapport veilig bewaar, aangesien u dit gaan benodig wanneer registrasies van die hoërskole binnekort open. U moet verstaan dat die skool nie herhaaldelik rapporte kan druk nie.

Dit is verder aangenaam om aan te kondig dat al ons Graad 2 leerders vanaf 1 Junie ook gratis tydens skoolure by die Tina Cowley Leesentrum op ons terrein gaan inskakel. Ons weet Covid het ons Graad 1's van 2020 sleg gevang en daarom wil ons alles in ons vermoë doen om hulle by te staan. Hierdie bystand sal vir 'n volle 6 maande duur (Junie - November).

At the end of the last term, we issued an unofficial report. It was unofficial as we could not attach weightings of different assessment tasks. The Department has now fixed the operating system. We as a school have also uploaded our marks and will therefore issue official progress reports on 21 May. Note that there might be changes in marks due to the weighting. You will, with the report, receive a note if some of the teachers would like to see you regarding the progress of your child. If you receive such a note, please make an appointment with the teacher from 24 May. Grade 7 learners and parents should keep this progress report safe as you will need it when registrations for high school open shortly. You must understand that the school can't just reprint progress reports randomly. It is my privilege to announce that all our Grade 2 learners will be part of the Tina Cowley Reading Centre. This will be free of charge and during school hours from 1 June. Covid had a significant impact on the Grade 1's of 2020, and as a school, we want to do everything possible to support them. This support will be for six months (June - November).

SPORT

Vir die eerste keer in meer as 'n jaar kon ons die afgelope Dinsdag weer teen ander skole deelneem. Al ons netbalspanne (O/9 - O/13) was in aksie teen Laerskool Mariepskop. Daar word 10 wedstryde gespeel en die Larries wen 8 en verloor 2. Baie dankie en baie geluk aan ons netbaldogters. Ons rugbyspanne was in aksie teen Laerskool Mussina. Die O/9 en O/10 B spanne speel teen Mussina se A spanne. Beide spanne speel pragtig. Hulle verloor die wedstryd maar wen waardevolle wedstrydervaring. Ons O/11 A span speel teen hulle eweknie van Mussina en die Larries wen oortuigend. In die hoofwedstryd klop ons tweede span die eerste span van Mussina in 'n baie aanskoulike wedstryd.

For the first time in more than a year, our kids participated against other schools on Tuesday. All netball teams (U/9 -U/13) played against Mariepskop. In total, ten matches were played, and the Larries won 8 and lost 2. Thank you and congratulations to all our netball girls. Our rugby teams played against Mussina. Our U/9 and U/10 boys played against their A-Teams. Both teams played well and enjoyed the opportunity. Although they both lost the game, they gained some valuable match experience. Our U/11, A team, played Mussina's A team and won comfortably. In the main attraction, our second team beat their first team. It was a nail-biting but exciting game of rugby.
